EXPERIENCE MATTERS

I am the most qualified candidate in this race.

I am the **only candidate** with extensive trial experience. I am the **only candidate** with extensive experience practicing family law. The 425th District Court is a family law court, nothing else. I am the **only candidate** with 22 years representing, advocating for families in Williamson County courts.

For 22 years I have listened to mothers and fathers
...as they struggle with divorce,
...as they figure out how to run two households on the same
money used for one,
...as they figure out how to divide their pensions, their property,
...and most importantly how to raise their children together,
while living apart.

I know how the law must handle these critical matters. I am the only candidate who has practiced these skills on a daily basis for 22 years. We need an experienced family lawyer in this court.

*"I am supporting Betsy Lambeth for Judge of the 425th District Court because I believe it is essential for lawyers who become judges to have **extensive experience** in the types of cases they will address. The 425th District Court is a special court -- a family court that rules on cases such as custody of children, divorce, and similar family matters. Betsy Lambeth has **more than 22 years** practicing in the family legal field. Thus she brings the expertise, understanding and concern necessary to resolve such cases in the very best possible way for all the mothers, fathers and children concerned. Cast your vote for Betsy Lambeth."*

**-Charles P. Graham, Lieutenant General
U.S.Army, Retired, Williamson County Resident**

"I have a child with special needs. It was important to find an attorney that genuinely cared about what is best for the family and those that don't have a voice. Betsy was that person and will be a huge asset to Williamson County families as 425th District Court Judge. I'm just a Mom endorsing her but I've experienced her work and caring firsthand. My boys and I thank you."

-Lesha Freid, Williamson County Resident

*"Throughout my legal career, I have considered it part of my professional responsibility to strive for quality in our judiciary and judicial system. It is critical, in my opinion, that those who serve as judges have extensive background in the area of the law that is applicable to their court. That is especially true for courts that are engaged in Family Law matters. Because of her 22 years of experience in trying and handling Family Law matters, I believe that Betsy Lambeth is **especially qualified** to be Judge of the 425th District Court."*
